HOUSE OF REPRESENTATIVES**

One-Hundred Second General Assembly

1. SPEAKER TO CONVENE HOUSE. At the hour to which the House shall have been adjourned, the Speaker shall proceed to the dais and announce that the House is in session in accordance with the adjournment motion previously made. The Speaker shall then call the House to order and, after appropriate opening ceremonies, call for the regular order of business, beginning with a roll call to determine that a quorum is present. A quorum of the House of Representatives shall be as defined by the Constitution of the State of Tennessee: "Not less than two-thirds of all the members to which each house shall be entitled shall constitute a quorum to do business; but a smaller number may adjourn from day to day, and may be authorized, by law, to compel the attendance of absent members." Article 2, Section 11, Constitution of the State of Tennessee.

2. SPEAKER TO PRESERVE ORDER. The Speaker shall preserve order and decorum and may speak to points of order in preference to other members. The Speaker will have the authority to set the guidelines for decorum.

3. OTHER DUTIES OF SPEAKER. The Speaker shall supervise the preparation of the daily Journal and shall have general direction of the Representative Chamber in accordance with the authority granted under the Rules of the House.

4. ORDER IN GALLERY OR LOBBY. In case of any disturbance or disorderly conduct in the gallery or lobby, the Speaker or the Chair of the Committee of the Whole shall have power to order the same to be cleared.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

5. FORMS OF QUESTIONS. Questions shall be put directly in this form: "Representatives in favor of (then state the proposition) say 'Aye' and, after the affirmative will be expressed, 'Representatives who are opposed, say 'No'." If the Speaker doubt, or a roll call be requested, as provided in Rule 29, a roll call vote shall be taken.

6. SPEAKER TO APPOINT COMMITTEES. The Speaker shall appoint all committees, unless otherwise directed by the House, in which case they shall be elected by a vote of the House; and if, upon the first ballot, there be no election, a second ballot shall be taken, in which a plurality of votes shall elect. The Speaker shall, in appointing committees, give consideration to the abilities, preferences and seniority of the members and the political party representation in the House. No member shall be appointed to serve on more than two (2) standing committees, exclusive of the Committee on Calendar and Rules. Provided, however, for purposes of the 102nd General Assembly, as many as fifteen (15) members may be appointed to serve on the Children and Family Affairs Committee, as well as to serve on two other standing committees.

7. SPEAKER TO APPOINT COMMITTEE OFFICERS. The Speaker shall appoint one (1) chair, one (1) vice-chair, and one (1) secretary for each of the standing committees and for the Committee on Calendar and Rules. In appointing committee officers, the Speaker shall consider the abilities, preferences and seniority of members and the political party representation in the House.

The Speaker pro tempore shall act during the absence of the Speaker, except that the Speaker shall have the right to name any member to perform the duties of the Chair for a period not to exceed one (1) legislative day. In the absence of the Speaker and the Speaker pro tempore, it shall be the duty of the Clerk to call the House to order and call the roll for the election of a temporary Speaker. In the event of an interim vacancy of the office of Speaker, through death or resignation, or in the event of disability of the Speaker, the Speaker pro tempore shall conduct the necessary business of the House only until such time as an election can be held in the House to fill the vacancy.

9. CHIEF CLERK. There shall be a Chief Clerk of the House of Representatives who shall be appointed by the Speaker and who shall serve until a successor is chosen. The Chief Clerk shall keep open the Office of the Clerk during and between sessions of the General Assembly on a permanent basis and shall transact efficiently such business as is assigned or required by law or rules of the House, both during and between sessions. The Chief Clerk shall take an oath to support the Constitution of the United States and of the State of Tennessee and to truly and faithfully discharge the duties of the office to the best of such clerk's knowledge and ability.

13. SPECIAL ORDER. It shall require an affirmative vote by two-thirds (2/3) of the members to which the House is entitled under the Constitution to set a special order of business; however, when a motion has been made to set for a special order any bill, resolution, or motion, the motion having failed for lack of a two-thirds majority but having received a majority vote of the members of the House present, it shall be in order, upon the demand of five (5) members of the House, for the Committee on Calendar and Rules to meet and report for the adoption or rejection by a majority vote of the House a rule or order fixing a time for the consideration of said bill or measure. It shall require a majority vote of the members of the House to postpone any special order set.

14. NUMBER OF SPECIAL ORDERS PERMISSIBLE WITHOUT RE-REFERRAL. After a bill has been scheduled for third consideration, the sponsor of any bill or resolution may before the House request another date for third consideration, and the bill or resolution shall be so scheduled, however, the sponsor of any bill or resolution shall only have the right to make such a request three (3) times on any particular bill or resolution. 16. SYSTEM ENTRY CODE. Before any bill or resolution can be accepted by the Chief Clerk for the purpose of pre-filing and assigning a number, or any committee amendment or any other amendment in the first degree can be accepted for the purpose of attaching it to a bill, the document in question shall have a system entry code affixed thereto by the Office of Legal Services.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

17. RESOLUTIONS. Resolutions shall be pre-filed with the Office of the Chief Clerk by 4:00 p.m. for introduction the following day and referral to the appropriate standing committee. However, all congratulatory and memorializing resolutions shall automatically be introduced the day of filing or the first legislative day thereafter and placed on the next Consent Calendar in accordance with Rule No. 50.

Joint resolutions calling for joint conventions shall be referred by the Speaker to a committee consisting of the Speaker, the Majority Leader and the Minority Leader for immediate consideration. The committee shall report its recommendations concerning the proposed joint convention to the House.

18. DUTIES OF MEMBERS TOWARD SPEAKER. No member shall be recognized by the Speaker unless the member addresses the chair from such member's desk. In all cases the member who shall first rise shall be entitled to speak first; but when two (2) or more members shall rise at the same time, the Speaker shall name the member who shall speak first.

When any member is about to speak in debate or deliver any matter whatever to the House, such member shall rise, and respectfully address the chair and await the notice of the Speaker. After recognition by the Speaker, the member shall proceed with making remarks which strictly conform to the question under debate and avoid all personalities.

19. TRANSGRESSION OF RULES BY MEMBER. Any member who, in speaking or otherwise, transgresses the Rules of the House, the Speaker shall, or any other member may, call such transgressing member to order, in which case the member so called to order shall immediately sit down, unless permitted to explain; and the House shall, if appealed to, decide the case without debate. If there be no appeal, the decision of the Chair shall prevail. If the decision be in favor of the member called to order, such member shall be permitted to proceed, without leave of the House. If otherwise, such member shall not be permitted to proceed. In case any member objects and continues, without leave of the House, and if the case require it, such member shall be liable to the censure of the House.

20. ATTENDANCE OF MEMBERS REQUIRED. No member shall be absent from service in the House without leave first obtained; and in case a less number than the quorum of the House shall convene, the Speaker is hereby authorized to send the Sergeant-at-Arms, or any other person or persons, for any or all absent members. This shall be done at the expense of such absentees, respectively, unless such excuse for nonattendance shall be rendered as the House, when a quorum is convened, shall deem sufficient.

21. TIME LIMITS OF DEBATE. Each member shall be limited to fifteen (15) minutes in such member's opening remarks and shall be limited to ten (10) minutes in rejoinder in discussion upon the floor of the House, EXCEPT by a majority of the members present, the House may increase or decrease the limitations of time herein set out for debate on a particular bill, resolution or motion.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

22. PERSONS ADMITTED ON FLOOR OF HOUSE. The Sergeant-at-Arms shall admit no person into the House Chamber thirty (30) minutes prior to and during any session except members of the General Assembly, employees of the House as designated by the Speaker of the House, employees of the Senate as designated by the Speaker of the Senate, employees of the Office of Legal Services, employees of the Office of Legislative Information Services, Fiscal Review Committee staff, as designated by the Speaker of the House, members of the Capitol Hill Press Corps as designated by the chair of the Corps and approved by the Speaker of the House, and the Chaplain and the Physician of the Day. All visitors and spectators shall have access to the gallery so long as they preserve order.

23. EVERY MOTION MUST BE SECONDED. Every motion must be seconded by some member of the House other than the proponent of the motion and upon failure of a second, the Speaker shall declare the motion failed for lack of a second.

24. MOTION REDUCED TO WRITING. The Speaker may require any motion to be reduced to writing and placed on the desk of the Clerk.

25. WHAT MOTION DEBATABLE. All motions shall be subject to debate except the following motions:

- (1) To adjourn
- (2) Lay on the table
- (3) For the previous question

Provided, however, the proponent of any motion sought to be tabled shall have the right to be heard after the motion to table is made and before said motion to table is put to vote.

26. PRECEDENCE OF MOTIONS. When any question or motion is under debate in the House, the following motions only shall be in order and may be entertained by the Speaker:

- (1) To adjourn
- (2) To lay on the table
- (3) For the previous question
- (4) To postpone to a day certain
- (5) To commit or recommit
- (6) To amend

Each of said motions shall take precedence in the order set out herein.

27. NO MOTION TO ADJOURN UNTIL FURTHER BUSINESS. When a motion to adjourn shall have been made and failed, the Speaker shall not entertain another motion to adjourn until some business has been transacted since the last motion to adjourn was voted upon.

28. WHEN MOTION NOT TO BE ENTERTAINED BY SPEAKER. After the Speaker has submitted a question or after there has been a roll call or count of the House, the Speaker shall not entertain or recognize a member on a point of personal privilege or otherwise until a decision of the House has been declared by the Chair. At any other time, a member may rise to a point of personal privilege but such member shall confine such remarks to questions affecting the rights, reputation and conduct of the member in such member's official capacity, and shall not address remarks to any question germane to substantive matters being considered.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

29. DEMAND OF ROLL CALL. Any question or motion (except final passage of a bill) may be put to the House by a voice vote at the discretion of the Speaker; provided, however, that, as required by the Constitution of Tennessee, any five (5) members of the House may require a roll call of the membership of the House and said members desiring a roll call shall indicate their desire by raising their hands. All votes taken upon final passage on third consideration of a general bill and all votes taken on demand by any five (5) members as provided for shall be taken by the electronic roll call system, provided that the Speaker may require the calling of the names of the members in alphabetical order and each member shall then answer "Aye" or "No" when such member's name is called by the Clerk without debate. Whenever the electronic roll call system is used, the Clerk shall preserve the record of the votes of the members by making the printed roll call as authenticated by the roll call system a part of the rough journal. All members casting votes by the electronic roll call machine shall be at their proper desks at the time for voting with the exception of the Speaker and sponsor moving passage of the bill under consideration. In the event the electronic roll call system is inoperative, all questions shall be put to the House by voice vote or by calling the roll as circumstances may require.

30. EXPLANATION OF VOTE. Any member may have written into the Journal an explanation of such member's vote on any particular motion, resolution, or bill by presenting to the Clerk an appropriate explanation in typewritten form.

31. CHANGE OF VOTE. Any member's vote on a roll call vote may be changed if such member requests such change before the result of the roll call is announced by the Speaker. After the result of the roll call is announced by the Speaker, no member may change such vote and the Journal entry shall not be altered. However, any member not voting at the time the roll call was taken, or any member voting on the original question but wishing to express a desire to change such member's original stand, may, have entered on the Journal a typewritten statement of support of or opposition to the question upon which the vote was taken.

32. APPEALS TO HOUSE ON RULINGS OF SPEAKER. Any five (5) members of the House may appeal to the House from the ruling of the Speaker and a majority vote of the members present shall decide the appeal.

No member shall speak more than twice on the appeal except with the permission of the majority of the members present.

33. WHO MAY ADDRESS SPEAKER. No one may address the Speaker except a member of the House.

34. DIVISION OF QUESTION IN DEBATE. If the question in debate contains several points, any member may have the same divided; but no bill shall be divided on third and final consideration.

35. OTHER PAPERS. When the reading of a paper is called for and the same is objected to by any member, it shall be decided by a vote of the House without debate. Distribution of other papers to the desks of the members can only be accomplished upon request of a member of the House and must reflect the name of the requesting member.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

36. PREVIOUS QUESTION. The previous question shall only be admitted when demanded by two-thirds (2/3) of the members present. It may be applied to the main question, the main question and amendment, or to the main question and amendment to the amendment. If the question prevails on the main motion, its effect shall be to preclude all future amendments and terminate all debate. The proponent of the motion, amendment, resolution or bill shall have the right to close the debate thereon, and no call for the previous question shall cut off this right. However, when the demand for the previous question has been made and rejected under the foregoing provision but received a majority vote of the members of the House, it shall be in order, upon the demand of any five (5) members of the House, for the Committee on Calendar and Rules to meet and fix or limit the time in which debate on said question shall be closed, which decision shall be binding upon all membership of the House.

37. TABLED MOTION - HOW REMOVED, ETC. When any bill, resolution, or motion is laid on the table by a vote of the House, it shall require a two-thirds (2/3) vote of those members present to take it from the table; but it shall require only a majority of the votes (a quorum being present) to lift from the table a vote rejecting a bill, resolution, or a motion.

38. BILLS DISPLACED BY SUBSTITUTION TABLED. When a bill has been substituted for another bill, the bill displaced by the substitution shall be considered as tabled.

39. WHEN BILL OR RESOLUTION FAILS TO RECEIVE CONSTITUTIONAL MAJORITY. When any bill or resolution is voted upon, but fails to receive a constitutional majority, the same shall be automatically re-referred to the Committee on Calendar and Rules. Any bill so re-referred during the final seven (7) days of the session shall not be again placed on the calendar for consideration during that session unless called for by a favorable vote of two-thirds (2/3) of the members to which the House is entitled under the Constitution, in which case it shall be placed in the next available position on the calendar for a succeeding day. However, no bill or resolution may be voted on more than twice during this General Assembly.

40. MOTION TO RECONSIDER FOLLOWING FINAL PASSAGE. When a vote on final passage of a bill has been made and carried in the affirmative or negative, it shall be in order for any member voting with the prevailing side to move for a reconsideration thereof, at any time the same day or the next succeeding day of actual session. If the member moving the reconsideration shall request that motion be entered upon the Journal, it shall be done, and such member shall have exclusive control of the motion during that day and the next succeeding day of actual session; providing the motion has been duly seconded; and the motion shall be a privileged motion, taking precedence, when called up, over all other business. Thereafter, it may be called up by any member and disposed of by the House; however, no motion to reconsider a reconsideration shall be in order. No motion to reconsider shall be placed upon the Journal during the last seven (7) legislative days of any annual session.

41. NO CROWDING ABOUT CLERK'S DESK. Members shall not crowd or stand about the Clerk's desk.

Date Signature."

Each bill or resolution and all copies shall be enclosed in manuscript covers and shall bear the signature(s) of the sponsor(s) on said covers and said covers shall also contain a succinct statement of the purpose or nature of said bill or resolution.

No member shall be permitted to be added as a sponsor to a bill or resolution without the written permission of the first prime sponsor; provided, however, if a piece of legislation purports to name a public facility (bridge, building, etc.), the member who represents the district in which said facility lies shall be allowed to be added as a prime sponsor. Only the first prime sponsor may request that a bill be put on notice. However, the first prime sponsor may designate in writing, filed with the office of the house clerk, such other prime sponsor(s) who shall have all the rights of the first prime sponsor as to action on a bill.

The Chief Clerk shall delete the name of any member who is not the only prime sponsor from any bill or resolution upon receipt of such request in writing.

When a member introduces a bill or resolution, the Clerk shall immediately give the same a House number. The copy shall remain on file with the Clerk's Office.

44. FILING OF BILLS FOR INTRODUCTION.

(a) Bills which have not been assigned a system entry code by the Office of Legal Services shall not be accepted for filing or pre-filing by the Office of the Chief Clerk.

(b) All bills for introduction shall be filed with the Chief Clerk no later than 4:00 p.m. on the day preceding the date of introduction.

(c) In the interim between sessions, any member of the House may pre-file a bill or resolution for introduction in the next session and the procedure shall be as follows:

(1) The bill or resolution shall be filed with the Chief Clerk of the House by the member in the number and form prescribed by the Rules of the House.

(2) The Chief Clerk shall number the bill or resolution and note thereon the date of the first day of the next session, on which the bill or resolution will be introduced and, in the case of bills, will pass first consideration.

(3) After written request of the sponsor of a pre-filed bill or resolution, the Speaker of the House may refer the bill or resolution to the appropriate committee to be studied and considered by the committee, or a subcommittee thereof, during the interim between sessions.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

45. BILLS TO BE NUMBERED. Each bill introduced shall be numbered in numerical order by the Clerk and said bill shall bear said number and be designated by said number in all future considerations of the same in the House. No bill shall be assigned a number by the Clerk or be referred by the Speaker to a committee for consideration unless it contains a title or caption; an enacting clause stating, "Be it enacted by the General Assembly of the State of Tennessee;" and language following the enacting clause purporting to state new law or to amend or repeal existing law. Further, no bill that has not been assigned a system entry code by the Office of Legal Services shall be accepted or numbered by the Office of the Chief Clerk.

46. ONE CONSIDERATION PER DAY'S SESSION. Only one (1) consideration of a bill may be had in the House in any day's session.

47. SECOND CONSIDERATION - REFERRED TO COMMITTEE. After the passage of a bill on second consideration, all general bills shall be referred by the Speaker to the appropriate committee. Any bill certified by its sponsor to be a caption bill or which is deemed so by the Speaker, shall receive first and second consideration and then shall be held on the Clerk's desk pending the filing of an amendment in proper form. After the filing of the amendment, the bill shall be referred by the Speaker to the proper committee.

48. LOCAL BILLS TO COMMITTEE - WHEN. Local bills may be referred by the Speaker to appropriate committees if, in the discretion of the Speaker, the nature and effect of said local bills shall require it. Other local bills, after having received the authorization of the local legislative delegation, shall automatically be placed on the Consent Calendar in accordance with Rule No. 50.

49. DUTIES OF COMMITTEE ON CALENDAR AND RULES CONCERNING CALENDAR. All bills having been considered and reported out of the standing committee to which referred shall be automatically transmitted to the Committee on Calendar and Rules without further reference by the Speaker; and no bill of general nature shall be considered for third and final passage until a written calendar, from the Committee on Calendar and Rules, giving notice of such bill, has been posted in a regular place in the House Chamber at least forty-eight (48) hours prior to such consideration. Not more than twenty-five (25) general bills shall be placed on the calendar for final consideration on any one (1) day, and this number shall include any bills carried over from previous calendars or any bills set for special order. Should the House not complete any day's calendar, all bills remaining unconsidered shall go to the top of the calendar on the next day that general bills are considered, provided that only so many of the said bills shall be carried over as will not cause the total to be considered on that day to exceed the aforesaid limit. Any bills remaining to be carried over in excess of that number shall be placed at the head of the calendar on a succeeding day or days, within the daily maximum of twenty-five (25). The foregoing maximum limitation on bills for daily consideration may be suspended by the Committee on Calendar and Rules by a two-thirds (2/3) vote of the total membership of said committee.

50. CONSENT CALENDAR. Any bills or resolutions which are not controversial in nature shall be placed on a Consent Calendar by the officers of the Committee on Calendar and Rules, except for those resolutions placed on the Consent Calendar pursuant to Rule No. 17. The Consent Calendar shall be printed and posted in a regular place in the House Chamber at least seventy-two (72) hours in advance of the time for such consideration.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

Any member may object in writing to a bill or resolution on the Consent Calendar and if objection is raised, the bill or resolution shall be removed from the Consent Calendar and placed at the foot of the regular calendar for consideration on the day following removal from the Consent Calendar; provided, however, that any bill or resolution objected to and removed from the Consent Calendar on the final day of a session shall be placed at the foot of the regular calendar on that day.

Upon a motion for passage of the Consent Calendar pursuant to Rule 50, the appropriate language shall be spread in the Journal:

"all House Bills having companion Senate Bills and are on the Clerk's desk be conformed and substituted for the appropriate House Bill, all Senate and House Bills on the Consent Calendar be passed on third and final consideration, all House Resolutions and House Joint Resolutions be adopted, and all Senate Joint Resolutions on the Consent Calendar be concurred in."

51. SPONSOR OF BILL AND CHAIR OF STANDING COMMITTEE PROPOSING AMENDMENT TO BILL MUST BE PRESENT. No bill may be considered on third and final reading unless the sponsor of said bill and the chair, or the chair's designee, of a standing committee which has recommended any amendment or amendments to the bill shall be present in the House, unless such sponsor or chair shall have previously indicated in writing to the Speaker permission for same to be brought up in such member's absence. However, if such sponsor, the chair or the chair's designee is not present in the House within one (1) hour from the time the bill is reached on the calendar, or the calendar is completed, this requirement is waived and the House may proceed to consider the bill in the absence of such sponsor, the chair or the chair's designee.

52. SUBSTITUTE SPONSOR OF BILL. Upon the death or disability requiring the absence from the House of any sponsor of a bill, the Speaker may name one (1) of the cosigners of said bill as sponsor, and if only one (1) person shall have signed said bill as sponsor, and said sponsor becomes unable to be present in the House, the Speaker may name any person favorable to said bill as sponsor.

53. RECALL OF BILL FROM COMMITTEE. Except during the organizational session, after any bill or other matter shall have been in any committee for seven (7) days, the same may be called for by two-thirds (2/3) of the members to which the body is entitled under the Constitution and placed upon the calendar of the House. Such action shall be in order only after a signed notice giving the number of the bill to be called for has been filed with and announced by the Clerk at least one (1) day prior to offering a motion to withdraw said bill from the committee in which it is held. When a bill has been recalled from a committee to which it was assigned by the Speaker or from the Committee on Calendar and Rules, it shall be placed at the top of the calendar on the next day on which general bills are considered. Should such a bill be recalled from committee in the manner provided above on the final day of a session, it shall then be placed at the foot of the calendar on that day.

54. RECALL OF BILL OR RESOLUTION FROM SENATE OR GOVERNOR. Upon motion, the House acting by the written message of the Clerk may request the return of a bill or resolution from the Senate. If a bill has been transmitted to the Governor, upon motion, the forwarding body acting by written message of the Clerk may request the return of the bill or resolution from the Governor.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

55. BILL MAY BE RECOMMITTED. After commitment and report thereof to the House, at any time before its passage, a bill may be recommitted, provided the recommitment of the bill during the last seven (7) days of a session shall prohibit further consideration of the bill during that session unless recalled under Rule 53.

56. PRECEDENCE OF SENATE BILLS. Bills coming from the Senate shall have precedence of bills in the House on the same subjects.

57. CERTIFIED BY CLERK. When a bill shall pass it shall be certified by the Clerk, noting the day of its passage at the foot thereof.

58. BILLS TO BE EXAMINED BY CHIEF ENGROSSING CLERK. All bills passed in the House shall, before they are sent to the Senate, be examined by the Chief Engrossing Clerk, whose duty it shall be to examine all bills, amendments, resolutions or motions, before they go out of the possession of the House, and to make report that they are correctly engrossed, which report shall be entered in the Journal. The Chief Engrossing Clerk shall correct any misspelled words in such documents prior to transmission.

59. CONCURRENCE OF HOUSE IN SENATE AMENDMENTS. When a House bill is returned from the Senate with an amendment or a substitute for the House bill, the "ayes" and "noes" shall be called for on the concurrence in the amendment or the passage of the substituted bill and entered on the Journal of the House. No said amendment or substituted bill shall be considered as concurred in or passed unless a majority of the members to which the House is entitled shall have voted affirmatively therefor and the said vote shall have been entered on the Journal. Any measure coming from the Senate with an amendment or a substitute for the House bill shall lie over one (1) day except on the final two (2) legislative days of a session.

No measure coming from the Senate with an amendment or any other Senate action requiring House concurrence or non-concurrence shall be acted on by the House until the Chief Clerk has announced that the measure has been returned from the Senate requiring further action by the House. This announcement shall be made on the legislative day prior to consideration of the measure by the House under the order of unfinished business except during the final four (4) legislative days of the session. The Chief Clerk will see that an impact summary of the Senate action on the measure as prepared by the Office of Legislative Information Services is placed on a special Senate Message Calendar to be printed and placed on the members' desks on the legislative day immediately following the announcement. The impact summaries will appear in numerical order regardless of the nature of the measure.

60. AMENDMENTS TO BILLS. No amendment beyond the second degree shall be entertained, that is, an amendment to an amendment; and in all such cases, the vote on the respective amendments shall be had in the reverse order in which the same were made.

61. TABLING OF AMENDMENT KILLS SAME. When a motion to lay on the table an amendment, in the first or second degree, to a pending bill, resolution or other matter, prevails, it shall be a final defeat of the tabled amendment, and the further consideration of such bill, resolution, or other matter, may be at once continued.

62. NO RIDER. No amendment by way of a rider shall be received.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

63. MOTION TO REJECT. When a bill receives a constitutional majority in the negative on a motion to pass on third and final consideration, or when a resolution receives a constitutional majority in the negative on a motion to adopt or concur on final consideration, the Speaker, after the announcement of the vote by the Clerk, shall say "(document type and number), having received a constitutional majority in the negative on a motion to pass on third and final consideration (or adopt or concur), I hereby declare the floor now open for a motion to reject." If a member makes the motion to reject, that motion and the bill or resolution in question will lie over the remainder of that legislative day and the Speaker will direct the Chief Clerk to place the bill or resolution in question at the heel of the regular calendar set for the next legislative day.

When a bill or resolution is considered on the next legislative day, no other motion shall be in order until the motion to reject has been disposed of and the Speaker has declared the final status of the bill or resolution in question. If the motion to reject passes, the Speaker, after the announcement of the vote by the Clerk, shall say "(document type and number), having received a constitutional majority in the negative on the motion to pass on third and final consideration (or adopt or concur), and having received a constitutional majority in the affirmative on the motion to reject, I hereby declare (document type and number) rejected under the terms set forth in Article II, Section 19, of the Constitution of the State of Tennessee."

If no motion to reject is made, or if a motion to reject is made and fails to receive a constitutional majority, the Speaker shall re-refer the bill or resolution in question to the Committee on Calendar and Rules.

If the motion to reject as provided for in this rule is passed, then (a) pursuant to Article II, Section 19, Tennessee Constitution, no bill containing the same substance shall be passed into a law during this General Assembly, and (b) the motion to reconsider shall be out of order.

Motions to reject shall not be in order except as provided above.

64. MOTION TO RECONSIDER EVERY BILL MUST BE ACTED UPON. When a standing committee recommends a bill for passage only with the adoption of an amendment or amendments approved by a majority vote of the standing committee, the committee chair shall cause such committee amendment or amendments to be prepared in proper typewritten form and filed with the Chief Clerk of the House. Bills reported out of standing committees with committee amendments cannot be considered by the Committee on Calendar and Rules unless the committee amendment is attached thereto. No bill or resolution having a fiscal effect of \$100,000.00 or more shall be put upon final passage until the same has been referred to and recommended by the Committee on Finance, Ways and Means.

Should a standing committee recommend a bill for passage with an amendment or amendments which create a fiscal effect of \$100,000.00 or more then, the chair of the standing committee shall refer the bill along with the recommended committee amendment or amendments to the Committee on Finance, Ways and Means.

Thereafter, the sponsor of the bill or resolution may, upon twenty-four (24) hours typewritten notice and within three (3) legislative days after the filing of said notice, except the last legislative day of any annual session such notice shall not be required, move the House under the item of Unfinished Business to pass the bill or resolution, notwithstanding the objections of the Executive. If the motion shall prevail by a favorable vote of a majority of the members to which the House is entitled under the Constitution, the bill or joint resolution shall then be transmitted to the Senate unless the same was originally received from the Senate subsequent to its prior approval.

Should the sponsor of a bill or resolution fail to appear before the standing committee when the bill or resolution has been scheduled two (2) times for a hearing, then the bill or resolution shall be returned to the desk of the Clerk of the House. After a bill or resolution has been sent back to the Clerk's desk, the sponsor of the legislation may appeal to the Speaker to re-refer the proposed legislation; and the Speaker shall have the discretion as to what action shall be taken.

(3) All bills or resolutions not considered controversial in nature may be placed on the committee consent calendar by the chair, after advising with the vice chair and secretary, provided the sponsor does not object. Such a subcommittee shall report only to the standing committee chair unless directed otherwise by the House. No subcommittee may meet while the standing committee of which it is a part is in session without the consent of the standing committee.

If the chair of a standing committee deems it appropriate after advising with the vice chair and secretary, to assign a bill to a subcommittee, said bill must be assigned to such subcommittee within five (5) legislative days after its passage on second consideration and referral to standing committee, or following the receipt of a fiscal note if said bill is referred to the committee on finance, ways and means unless otherwise provided by law.

If the chair of a standing committee deems it appropriate, after advising with the vice chair and secretary, to assign a bill or resolution which has been referred to it after recommendation for passage by another standing committee to a subcommittee, said bill must be assigned to such subcommittee within seven (7) calendar days of its receipt.

The motion shall be scheduled to be heard at the beginning of the standing committee's next meeting, provided the notice is timely filed under Rule 80(1) so it can be printed on the committee calendar. If the motion carries by a majority of the members entitled to vote at a meeting of the committee then the bill or resolution shall be placed on calendar for the next meeting of the committee. No such motion shall be considered during the final meeting of a committee during a session.

ADDRESS TO THE HOUSE OF REPRESENTATIVES

SPEAKER JIMMY NAIFEH

JANUARY 9, 2001

I first want to begin by thanking the membership of this body for giving me the privilege of serving as your Speaker. My pledge to previous legislative bodies remains true today—I will always keep an open mind to your opinions and your beliefs and the door to my office will always be open to you. I also renew my commitment to treat each of you fairly and with the respect and dignity that each of you, as members of this House, deserve.

Even with the excitement of a new session in the air, today is in many ways bittersweet for me. Today marks the first time that I will have ever started a legislative session without my father or my brother being present. Also just last week Representative Rinks lost his father. We all learn lessons everyday; dealing with the death of loved ones brings a completely new set of lessons to learn. I learned a great many things last year during some very sad times; that life is too short to harbor bad feelings towards one another, that every day is a new challenge that must be faced head on, that, although difficult, we must always face up to our responsibilities.

I believe that many of us learned a great deal from the last legislative session, as well. It was difficult, it was trying, and it was, in many ways, not as productive as we would have like it to have been. We have a responsibility to learn from last year and to do better. We were sent here to make the State of Tennessee a better place; it is our responsibility to make sure that we don't fail the people that we represent.

If I had the answer to dealing with the budget concerns of this State—the foremost issue that we will be dealing with this year—I would have gladly told you that last year. I don't know what the answers are—but I do know what some of the questions are. How do we make our K-12 schools better for our children? How do we keep our college professors from accepting higher paying jobs in other States? How do we deal with the ever-increasing cost of TennCare while dealing with other major health care concerns like long term home health care? And how do we continue to make Tennessee a wonderful place to live, work, and raise our families?

We have to open our eyes to what is happening in this State and then we must be willing to open our minds in coming up with solutions to deal with those problems.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

The Governor will propose his budget for the next fiscal year soon. In the past, it has always been the Legislature's responsibility to take that budget, examine it, and then work through it so that, in the end, it is balanced and fair to the citizens of this State. That same responsibility falls squarely on our shoulders again this year. And we must stand up and face it head on—we owe the citizens of this State no less than that.

We also have a responsibility to our citizens that depend on the State's TennCare program. Since its inception in 1994, the program has saved this state more than 2.5 billion dollars in health care spending while at the same time providing health care coverage to over 500,000 Tennesseans who would not have been eligible for Medicaid. Of that, over 150,000 of that are children. It is vital to the interest of this State and to the health and well being of our citizens that this program be strengthened, accountable and properly stabilized. Most of us are probably guilty of paying too much attention to small, insignificant pieces of the TennCare program, while ignoring its overall condition. That's like missing the forest for the trees. We must never forget how important the entire TennCare program is—and we must all step up and make sure that it is cared for correctly. Every single member in this body has a number, a large number, of constituents who depend on TennCare—you owe them no less.

And while our budget concerns and TennCare continue to be the two largest issues that we must deal with, there are at least three other issues that I personally would like to see this body deal with in the next several months:

For the past thirty-two years, a desegregation lawsuit regarding higher education has hung over the heads of this State. We have the opportunity to bring this matter to closure. It's time to bring this matter to closure. Thirty-two years. A consent decree has been entered into and this decree will be effective only if this General Assembly finds the decree to be appropriate and provides the necessary funds to implement it. Education has always been the tool that our young people could use to reach their goals and to achieve their dreams. Now, I truly believe that if we give higher education the tools they need, they can resolve this dispute once and for all and we can—together—get on with the business of making higher education a realistic option for all young people. I am charging that our Education Committee to review the Higher Education program portion of this agreement. I am charging the Finance Committee to review the fiscal effects of this agreement. And I would welcome all members of this House as well as the comparable Senate Committees to attend those meetings. I also charge every person in the Higher Education community to implement both the letter and the spirit of this agreement so that all vestiges of segregation will be eliminated from Public Higher Education in Tennessee.

With the recent events of our national election and the questions that arose concerning the actual voting process, it is time to reevaluate and reexamine our own election processes to be sure that we have in place a fair and accurate system. A true democracy depends on the accuracy and fairness of its election. We should be sure that our current system assures a fair and just election every time so that no voice is left unheard—and that no vote is left uncounted. We should work to correct the complications that occurred with the State's motor voter registration process and we should work hand-in-hand with our local government officials to examine the adequacy of current voting equipment. I am charging the State and Local Government Committee to review our voting laws and voting equipment. Due process demands that each voter be treated fairly and that each vote count equally.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

We must continue the trends initiated by this body last year in dealing with the day-to-day care of both our youngest and oldest citizens. Major childcare reform was accomplished last year in a bipartisan manner. [I] and the two leaders in this Well asked the membership to please pass some reform. We did so. Childcare is a vital issue for this State, in terms of helping get our children off on the right foot while providing peace of mind to working parents. We must continue to find ways to insure that our children are safe and secure in the child care facilities across this State. Our Speaker Pro Tem DeBerry and Chair-lady Chumney led us in our efforts last year. I am asking that they continue in these endeavors and I want to publicly applaud their efforts and this Body's accomplishments.

As for our older citizens, they have made their voices heard loud and clear. They want the choice of long term home health care. This body helped put initial funding into long term health care—but that should only be the start. We must continue to put an emphasis on improving the funding and the possibilities of this choice—and give our older citizens the dignity that they deserve in their senior years.

As I look out into the Chamber and up into the Gallery, it is literally amazing how much history has taken place inside these walls over the years. When this facility was built in the 1850's, no one then could have foreseen the growth in technology and the advancements in communication that we have today. Our space inside these walls is limited; we have had situations in the past where the galleries have been full and individuals have not been able to view the events on the floor of this body. The galleries are not accessible by disabled individuals. And, of course, we have individuals that want to know about the issues being debated on the House floor but simply cannot because of their inability to get to Nashville. Technology now gives us the ability to show what happens in this Chamber outside of this room. As some of you may remember, two years ago we broadcast our opening days of session to monitors set up outside in our foyers. Today, we are doing the same thing. We will continue to do so throughout this entire legislative session. Our staff is currently exploring the ways to provide live broadcasts of all of our sessions through a variety of means, including the possibility of television hookups or via the internet. By the year 2004, it is my goal that virtually every home and school and library in this State will have the ability to access and view the proceedings in this Chamber.

The next several months will not be easy—but then no one said that it would be. We asked for this job...if you didn't want to work, then you shouldn't have hired out. We have our work cut out for us.

For those of you who are new to this body, welcome. I encourage you to use the resources that are available to you. Ask questions and look for answers. The Legislative staff is available to assist you in every way possible. The more you understand, the easier you will find it to participate in the process.

For those of you who have served before, welcome back. It's good to see all of you again.

Some people last year compared the last session to a roller coaster ride. I am not sure whether that is totally accurate although it is probably fair to say that there were certainly a great many ups and downs last year. If the analogy to the roller coaster is true, I certainly hope that the ride this year will be smoother. And also that the end of the ride will get here sooner than it did last year.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

Thank you for the confidence you have placed in me. It's time for us to go to work. Thank each and every one of you again.

Thank you very much.

TUESDAY, JANUARY 9, 2001 – FIRST ORGANIZATIONAL DAY

REMARKS OF SPEAKER PRO TEMPORE

To Speaker Naifeh, Representative Davidson and Representative McDaniel, the Leadership of both parties and Members of the 102nd General Assembly...

First, let me thank you for your vote of confidence in re-elected me to an unprecedented eighth term as your Speaker Pro Tempore of the House of Representatives.

This new millenium provides us new opportunities and new possibilities. As we plan for the challenges that lay ahead of us, our first order of business is to realize that working together, nothing is impossible for us.

In the course of our life we make decisions, and we are gathered here today as decision-makers. The decisions we make affect the lives of the people we are called to serve.

Let us make our decisions with character, knowing that men and women of character are people of wealth. Let us make our decisions with courage—know that courage is the supreme virtue, because it guarantees all the others.

Let us make decisions with a clear conscience—knowing that conscience is to the individual what the law of gravitation is to the universe. It holds society together. It is the pillar of all moral rectitude. Without it suspicion would take the place of trust. Vice would be more than a match for virtue. Men and women would prey upon each other like the wild beasts of the field, and earth would become a living hell.

Let us be mindful of the simple virtues open to all of us—fair dealing, personal ethical honest, integrity, and the faith that working together we can do anything.

Finally, all of us have seen ants carry a morsel of food, There might be fifteen ants walking together with a piece of food no bigger than a piece of food no bigger than a fingernail. Those ants realize one thing. They are on a mission to sit down at the table of brotherhood and sisterhood and dine together. The ant in front is just as important as the ant in the back, and the ants on the side are equally important.

My great hope is that during the 102nd General Assembly we will work together with as much sense as ants—knowing fully well that we share common interests, and have a common goal—that our people will sit down at the table of brother and sisterhood and dine together as we strive to make brother and sisterhood the condition of the human family. This is the promise of this new millenium.

Let us stand up individually and collectively to heal the spirit of our people, build a vision for our children, and give hope to our elderly.

Thank you.
